Consent Form for taking and using photos

2018 GDPR Compliant

Child's Name ----- Class -----

Dear Parents/Carers

At St Mary's CE VC First School, we sometimes take photographs of pupils. We use these photos in the school's prospectus, on the school website, on digital applications such as 'Tapestry' and on display boards around school.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Why are we asking for your consent again?

You may be aware that there were new data protect rules in 2018. To ensure we are meeting these requirements, we need to seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent.

Please tick the relevant box(es) below and return this form to school.
