School Association News

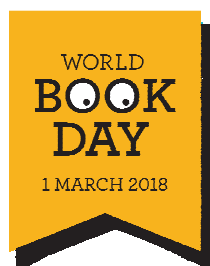

Cake/Biscuit Decorating Competition and Sale Thursday 8th February 3 - 4pm

The School Association will be holding a cake/biscuit decorating competition on the last day of term.

Your child is invited to decorate a cake/muffins/biscuits on the theme of "The Seasons" and to bring them into school on Thursday 8th February. There will be a prize for the best decorated cake/biscuit for reception, KS1 and KS2. The cakes and biscuits that your child decorates can be homemade or shop bought. The competition entries will then be sold in the hall between 3 - 4pm along with refreshments. All money raised will go to the School Association. We hope that your child will join in and have fun decorating their entry.

All entries should be put in the parent support advisor's room (opposite Oak classroom) on the morning of the 8th.

Second Hand Book Sale World Book Day Thursday 1st March

Do you have children's or adult books that you would like to donate? On Thursday 1st March the School Association will be holding a second hand book sale along with the sale of refreshments and cakes in the hall after school. All books will be sold for donations to the School Association.

Do you have children's or adult books that you would like to donate for the sale? If so they can be bought into school in a bag and put in the parent support advisor's office from Monday 19th February onwards. We hope that you will be able to contribute to and join us for this event.

Classroom Reps:

At the last school association meeting it was suggested to the committee that classroom reps could form a link between the parents of that class, the teacher and the School Association. The reps would not have to attend School Association meetings but would be welcome to.

They would act as a point of contact for information about events, volunteers, donations etc. They could also assist the teacher with the passing on of information more generally both from and to the Association including feedback from activities, new ideas and suggestions of what the Association can help with in the class and school. If the reps wished to they could also be a point of contact for social activities for the class.

Some of the parents who attended the last meeting were interested in being class reps and if you think this is something that you'd like to do then please send an email to the school office or contact the association via their facebook page. You can also talk to one of the current committee contacts as listed overleaf. They are all quite friendly.... Honestly!
