

Admission Arrangements for Community and Voluntary Controlled Schools in Dorset 2016-2017

This is Dorset Local Authority's (LA's) admissions policy which applies to statutory school aged children in mainstream schools. This policy commences from September 2016 and should be read in conjunction with the parents guide. The guide along with admissions policies for other types of schools and further information and clarification are available on Dorset's school admissions website.

1. Admission of Pupils – General Principles

- The School Admissions Code, legislative guidance including co-ordination, equal preference scheme and infant class size legislation are adhered to,
- The majority of schools serve traditional areas (catchments/communities) to ensure fair access. The school's catchment area is a geographical area defined by the authority following consultation with the governors and neighbouring schools and is available for parents to view on the Dorset for You website,
- Where possible, within the current constraints and legislation, children attend schools preferred by their parents,
- Every (Dorset) child will be allocated a place in an educational setting once an application is submitted,
- Admission arrangements are consistently and equally applied to all,
- Resources are used efficiently,
- Allocation of school places are made up to the planned admission number, in accordance with the oversubscription criteria.

2. Published Admission Numbers (PANs)

All admission authorities must set an admission number for each 'relevant age group' and places will be allocated according to the published oversubscription criteria.

A school will be asked to exceed the admission number only where:-

- The last place within PAN is allocated to one of multiple birth siblings, then the other birth siblings will be admitted,
- Where an error occurs and the child should have been offered a place,
- A large group of families with children arrive in the area where it has not been possible to accommodate them within the normal allocation of places because of the short notice. If this is the case, the Local Authority will identify an appropriate setting to accommodate the children as quickly as possible,
- An unexpected event/incident occurs necessitating urgent/temporary placement,
- There is a need to comply with other agreed protocols, e.g. Children in Care, Fair Access, SEN Code of Practice and the Military Covenant

In Year Admissions only

- Where no other school would provide suitable education within a reasonable distance of the home. In this instance the distance will be considered based on the transport offered to the alternative setting, following national guidance on transport times i.e. the alternative placement will not exceed a journey of 45 minutes for primary aged children and 75 minutes for secondary aged children. The length of journey does not include walking to the 'stop'. Transport is also based on consideration of efficient use of resources and prejudice to the school or neighbouring schools.

3. Admission of Pupils to School for the First Time at Age 4+/5

3.1 Statutory school age

Children reach compulsory school age the school term following their fifth birthday. The start of term is defined as 1 September/January/April (this may not be the first day of term for the school being considered).

3.2 Admission at 4+

An application must be submitted for every child to the LA. Children are able to attend full-time in September of the year they are due to start school. Some schools offer a phased integration. Parents can request part-time attendance until compulsory school age is reached. This needs to be agreed with the headteacher of the school where a place is offered. Parents can also request deferred entry within the first academic year or until compulsory school age. A record of the deferment should be kept by the school and parent. The place is held and is not available to be offered to another child unless it is not taken up by the agreed date when it will be considered vacant. If this request for deferred entry goes beyond the start of the academic year, the parent will need to reapply for a school place in the next academic year for entry to year 1.

4. Transfer to the next school by age – Normal Year of Entry

Different age ranges of schools in Dorset means children may transfer to the next school, depending on where they live, at ages 7+ (Year 3), 9+ (Year 5), 11+ (Year 7) or 13+ (Year 9). In all cases an application should be submitted by the published closing date and through the Home Local Authority. This is the local authority in whose area the child resides. Applications should be submitted by the person who has parental responsibility for the child.

5. In Year Admissions

In year or casual admissions will be processed either through the LA where schools have opted in to the LA co-ordinated scheme (subject to availability) or directly to the

school, where the school has opted out. If uncertain of whether the preferred school takes in year applications direct, parents can contact the school itself or contact Dorset's school admissions department. A formal application must be made in all instances with relevant information attached to the application. Should a place not be allocated at a preference school the parents have a right of appeal. Any alternative placement offered will take account of the distance to travel consistent with the national guidance on journey times i.e. the alternative placement will not exceed a journey of 45 minutes for primary aged children and 75 minutes for secondary age children.

6. Admission of children outside their normal age group

This section of the policy should be read in conjunction with the guidance on the placement of a pupil outside his or her normal age group. Normal age group refers to the year group in which the child would normally be according to their chronological age. The guidance is available on Dorset's school admissions website.

Applications for a child to be placed outside of their normal chronological year group will only be considered under the most exceptional circumstances. The placement of a child outside his or her normal age group is not an appropriate strategy for meeting special educational needs. This is in recognition of the significant and long term impact on children who are placed outside of their normal year group.

6.1 Decision Making Process

Parents and carers wishing to request that their child be placed outside of their normal age group must do so through the Head Teacher of the pupil's actual or proposed school. Where the school is their own admissions authority the decision to place a child outside of their normal age group rests with the Head Teacher and governing body of the school that would be affected. Where Dorset Local Authority is the admissions authority for the affected school, the case will be considered by the local authority's In Year Fair Access Panel. This panel meets regularly during term time.

6.2 Admission above Normal Age

Only in exceptional circumstances, where a child is outstanding in every respect, will a child be considered for admission early or above their normal year group. It will also only be considered through the agreement of the Head Teacher, in conjunction with other professionals, where they have identified exceptional medical, physical, social or/and educational reasons for this. If advanced in a Dorset school it is expected that the arrangement will continue in a Dorset school.

6.3 Back Yearing and Delayed Transfer

There are instances when a child's overall best interests are served by delaying admission or remaining in the existing year. The social and educational implications of this must be considered. Such arrangements will be considered only if agreed or

recommended by the child's Head Teacher and/or any other professional involved. Any decision will also be in line with the LA's 'Guidance on the Placement of a Pupil outside of his or her normal age group' and with the parent's agreement.

6.4 Out of Dorset Requests

Some families seek places in Dorset schools (e.g. where they have moved to the County from elsewhere) for their children to be placed in a year group other than their chronological year group. Requests are dealt with and recommendations made by the admitting school, regardless of the child's home address, in line with the decision making process indicated above.

Such requests are refused unless there are very exceptional circumstances.

6.5 Admission/Transfer of Children Outside Normal Year Groups – PAN

Where it is agreed that children can be admitted/transferred to a year group which is not the chronological year group, the application will be considered against the relevant school's PAN (not in addition) and the school's oversubscription criteria, along with all other applications received.

6.6 Delaying entry into Reception Year Group – Summer Born Children

Where a child is summer born and parents wish to consider the delay of their child starting school in the Reception Class until after their 5th birthday, they will need to discuss this directly with the Head Teacher and/or the Admission Authority of the proposed school. These requests will be considered on a case by case basis and with reference to the 'Guidance on the Placement of a Pupil Outside his or her Normal Age Group'.

If a parent applies for a reception place to be taken up after the child's 4th birthday and is allocated a place in the normal transfer round and then subsequently wishes for their child to enter the school in reception after their 5th birthday – they will have to make a new application in the next application year and surrender their current place. Their application will be considered afresh and no guarantee will be given that they will get a place in the subsequent allocation as it will be subject to the relevant admissions code and the overall number of applications.

7. Placements in Alternative Settings and Managed Moves

Policies are available on In Year Fair Access and Managed Move protocols on Dorset's school admissions webpage.

Pupils from outside of Dorset who have been placed in alternative provision (PRU) and move into Dorset will initially be placed in a Learning Centre where consideration will be given to the most suitable placement to support the child's educational achievement.

Should integration to mainstream be considered appropriate, and on receipt of an application from the parent, this will be considered by the In Year Fair Access Panel.

8. Children in Care

There is an additional policy and guidance available for Children in Care and children who have previously been in care applications. Children in Care applications are given the highest priority on the oversubscription criteria.

9. School Transport

Details about school transport are provided in the Home to School Transport Policy. Advice is also provided in the Policy and Parents' Guide to ensure parents, guardians and carers are aware that their preference of school and the admissions criteria will affect their entitlement to 'free' school transport. This includes later changes (e.g. change of address) which could have a bearing on continued eligibility for school transport.

10. Withdrawal of School Places

Places will only be withdrawn where:

- A place has been offered in error by the admission authority and the affected child/ren have not yet started at the preferred school,
- A place has been offered on the basis of a false, fraudulent or deliberately misleading application. The place will be withdrawn if the case has been identified by the first October half-term following admission,
- The place has not been taken up by the specified date – the parent will be contacted in advance of the withdrawal of a place,
- The place has been declined by the parent.

11. Waiting Lists

The LA operates a limited waiting list policy. Parents can apply to have their child's name placed on a waiting list for a period of one term following refusal. If parents wish to keep a child on a waiting list beyond this term they will need to write in for an extension by the start of each term. There is no guarantee of a school place by remaining on the waiting list.

12. Appeals

If the LA is unable to offer a place at a school that has been applied for, the parent has the right to appeal to an independent Appeals Panel. The decision of the Panel is binding on all parties and where parents succeed with their appeal, the place at the school originally offered by the LA will be automatically withdrawn.
