## *PE Interim Impact Report 2017-2019*

*(this report will be a working document and updated as and when funds are spent during 18-19)*

### ***DASP PE Mission Statement***

***To improve the quality of Physical Education in our local schools by empowering the students and teachers with the knowledge, values, skills and personal qualities to be confident and keen to take part in sports and PE.***

***The mission is to ensure this quality PE happens when specialists aren't in the room and sustainability is key!***

What is the Sports Premium?

The government is providing funding to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools.

Schools have to spend the sport funding on improving their provision of PE and sport, however they have the freedom to choose how they do this. Possible uses of the funding include:

- Paying for professional development opportunities in PE/sport.
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and holiday club

**At St Mary's CE VC First School Charminster, the funding has been allocated as follows:**

***DFE Primary PE and Sport Grant 2017-19 =***

For 2017-18 the school was awarded £13,915

For the 2018-2019 the school has been awarded £17,545 (+ £7,614 carried forward from 17-18)

<b>PE Curriculum Focus Spending</b>	
<i>Money pooled with schools in DASP to employ Olympic legacy coaches for each mini- pyramid to work alongside teachers in lessons to increase their subject knowledge and confidence in P.E.</i>	<b>£4,395 (x2)</b> <i>Academic years: 17-18 and 18-19</i>
<i>Premier sports - sport specific coaches each half term to work with children in all key stages throughout the year. 38 weeks @ £63 (average cost)</i>	<b>£1,906 (x2)</b> <i>Academic years: 17-18 and 18-19</i>
<i>Footy for Dorset sports coach for Autumn and Summer term.</i>	<b>£850 (x2)</b> <i>Academic years: 17-18 and 18-19</i>
<i>Sports equipment - footballs/rugby balls/tennis balls/cones/bean bags</i>	<b>£1500 - £2000</b>
<i>Other costs: Transport to festivals</i>	<b>£450</b>
<i>Sports grounds upkeep</i>	<b>£1000</b>
<i>* Remaining funds to be used for a project - meeting with link governor we have a variety of suggestions: <b>All weather sports track - Netball posts - embedded or portable - temp lines for court Coaches - Yrs 1 and 2 - more opportunities - THS sixth form leaders. One off days - trampoline, wheelchair basketball/ Dance mats</b></i>	Awaiting quote for all weather sports track and gym equipment.  Currently researching sports experience days

*\* This report will be updated once funds have been spent.*

**Impact:**

In the initial DASP subject leader's meeting, it was decided that teachers should be observing lessons taught by the specialist coaches, followed by team teaching, progressing onto teaching PE lessons where feedback is given. As a result, the quality and breadth of P.E provision has been improved. Andy Kent , the DASP mini pyramid specialist coach, teaches alongside staff for 1 day a week (1 morning, 1 afternoon). His time has been shared equally across the school so that each Key Stage will have weekly lessons for four half terms a year. Class teachers have requested areas of P.E and from observing and participating in the lessons have become more confident and skilled in teaching P.E. Sets of progressive plans have been provided for future teaching.

***Lessons taught and observed:***

<i>Key Stage</i>	<i>Lesson taught and observed</i>
Early Years Foundation Stage	Multi-Skills/ Athletics
Key Stage 1	Multi-Skills/Gymnastics
Key Stage 2	Basketball/Tag Rugby/Gymnastics/ Athletics/Cricket

**As part of DASP, we have been fortunate to participate in a wide range in competitive school sport:**

Involvement in inter-school competitions this year;

- Cricket festival for selected children in years 1 and 2 (Summer term 2018)
- Netball tournament for selected children in years 3 and 4 (Summer term 2018)
- Athletics festival for all year 3 children (Summer term 2018)
- Multi-skills competition for Key Stage 1 (Autumn Term 2017)
- Tag rugby tournament for selected children in years 3 and 4 (Autumn term 2017)
- Basketball tournament for selected children in years 3 and 4 (Autumn term 2017)
- Orienteering morning for all year 4 children (Spring term 2018)

**Personal health and wellbeing for all children in the school:**

The employment of specialist coaches has made a positive impact on the children's learning. There has been an increase in the competitive element of sport during P.E. lessons, to which the children have responded positively.

**Key Stage 2 specialist coaches outside of DASP:**

During Key Stage 2's PPA afternoon, Premier Sports were employed and the children had the opportunity to participate in handball and dodgeball during the Spring term followed up by an after school club (parents had to pay separately for this and wasn't included in our budget).

In the Autumn term, Lee Cuff from 'Footie for Dorset' complete a half term of football and followed this up with half a term of football in the Summer term.

**We continue to offer a range of after-school sports clubs:**

*Autumn Term:*

Football - Footie for Dorset (Lee Cuff)

Football - Stuart Galloway

Tag Rugby - Andy Kent

Basketball - Andy Kent

*Spring Term:*

Cricket - Andy Kent

Orienteering - Andy Kent

*Summer Term:*

Cricket - Andy Kent

Football - Footie for Dorset (Lee Cuff)
