

Learning Project WEEK 2 - The area you live in

Age Range: Y3/4

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Working on Times Table Rockstars - your child will have an individual login to access this (20 mins on SOUND CHECK). Play on Hit the Button - focus on number bonds, halves, doubles and times tables. Adding totals of the weekly shopping list or some work around money. This game could support work on adding money. Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes. Use your Times Table Rockstar username and password to log into Numbots and play the games there. Get a piece of paper and ask your child to show everything they know about Subtraction. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be. Practise counting forwards and backwards from any given number in 10s. 	<ul style="list-style-type: none"> You could share a story together. This could be a chapter book where you read and discuss a chapter a day. Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Watch Newsround and discuss what is happening in the wider world. Login to Read Theory and take the reading challenge test then complete 1-2 activities. These focus on comprehension skills. (Logins will be sent out via Class Dojo - please contact us if you are not already on Class Dojo) Explore new vocabulary you find when reading books, magazines, newspapers etc. Make a 'word book' or use one of these sheets from Vocabulary Ninja and write them down. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? Listen to David Walliams read a book each day https://www.worldofdavidwalliams.com/elevenses/
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Practise the Year 3/4 for Common Exception words. Practise your spelling on Spelling Shed Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified? Choose 5 Common Exception words and practise spelling them using green vowels. Write the word and every vowel complete in green, e.g. spelling. Grammarsaurus Home learning booklets, some educational games 	<ul style="list-style-type: none"> Write a diary entry summarising the events from the day/week. Write an information report about their local area. Remember to include headings and subheadings. Choose an interesting building they have found out about and write a list of questions they would like to ask. Write a story about a stranger coming to their local area. What happens? Is it a good thing? Or does something terrible happen? Write a setting description to describe their local area. What is in

the whole family can play and some helpful information for parents too!

their local area? What do they like/dislike about it and why?

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your town or village.

Let's Wonder:

Think about their street. What type of houses are on their street? What type of house do they live in? What other buildings are close by? Find out about their local area, what different buildings does it have? How old are some of those buildings? How have they changed over time? Use a map to locate different places. Look on [Google Earth](#). Draw their own map of their local area.

Let's Create:

Choose a building they most admire in their local area. Make a model of that building using materials of their choice. (Playdough, [junk modelling](#), lego etc.....) How well did they do? What would they do differently next time? What have they learnt?

Be Active:

Get out into the garden, pull up some weeds or mow the lawn? Does their garden need a tidy up? Maybe they could plant some seeds.

Recommendation at least 2 hours of exercise a week.

[Cosmic Kids - Youtube channel](#) Perfect for videos of yoga, mindfulness and relaxation. Designed for children as young as 3!

[Supermovers](#) A website jam-packed with fun videos which link to your child's learning and getting them moving. This is a firm favourite with teachers! Suitable for children of all ages - this will support their physical health and keep them learning!

[Go Noodle](#) Perfect for videos to keep your children moving! They're entertaining and sometimes quite fun! There's a massive range on videos available, so check it out. Suitable for children of all ages.

PE with The Body Coach Joe Wickes - every day at 9.00 live on Youtube.

Time to Talk:

Were their family members all born in this local area? If not, how is their place of birth different to their own local area? If they were, how different is the local area since they were born? Talk about their memories of how it has changed.

How about learning [sign language](#)? Join Natasha at 1 pm everyday

Understanding Others and Appreciating Differences:

Research different places of worship that can be found in their local area. Can they find their nearest Church? Mosque? Synagogue? Temple? Gurdwara? What can they find out about them? Draw pictures and label them with any information they find out.

Reflect:

Think about what would improve their local area? What is their local area lacking? What spoils their local area? What could be done?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Explorify](#)

A website filled with short, anytime activities to develop your critical thinking and scientific enquiry skills.

[RSPCA](#) - Free homeschooling resources

[Padlet](#) - a free website containing a whole list of resources for each subjects including history lessons, drawing and crafts, geography games and live web cameras at Edinburgh Zoo where you can watch pandas, penguins, tigers and koalas! Plenty to choose from!

#TheLearningProjects

Free Daily Resources For Children

PE with Joe Wicks On YouTube

Week days at 9am but you can visit any time on youtube to view the workout.

Wildlife With with Steve Backshall On Facebook

Every day at 9:30am for answering all your wildlife, biology, conservation, geography and exploration questions.

Science with Maddie Moate on YouTube

Weekdays 11am. Maddie & Greg chat about science and nature!

Dance with Oti Mabuse On Facebook

Every day at 11.30am but children can view the class at any time.

Maths With Carol Vorderman

Free access to the her maths website:
www.themathsfactor.com

Music with Myleene Klass on YouTube

Twice a week. Next one Friday 27 March 10am, but can view any time.

Storytime With David Walliams

Free story everyday at 11am on his website:
www.worldofdavidwalliams.com
