Learning Project - to be done throughout the week: Celebrations

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

Family Photographs-

- Look over a selection of photographs of family celebrations and discuss with your child: what the celebration was about, who attended, what you did to celebrate, when it took place, whether it is an event that happens each year. Can your child remember the

event taking place? What do they remember of it?

Plan a family celebration-

- Decide on a family celebration for the week. This could be a family indoor picnic, meal, dance etc. Ask your child to write invitations to family members to the party.
- Create homemade decorations using coloured paper (If you do not have coloured paper at home, you could use old newspaper or wrapping paper) You could make paper chains or bunting
- Plan a menu for the party and make the food together.

Discover religious celebrations-

- Watch the Let's Celebrate video collection for [Easter](#). Discuss the celebrations with your child. Did they celebrate Easter? Which of the events did they take part in?
- Watch the Let's Celebrate video collection for [Eid-al-Fitr](#). Discuss the celebrations with your child. Did they celebrate Eid-al-Fitr? How did they celebrate? Are there any similarities and differences between the celebrations they saw in the Easter videos?
- Look through the range of [videos](#) available on Cbeebies and watch together. Discuss who celebrates the event and any similarities and differences with celebrations your child has taken part in.

Birthdays-

- Talk to your child about when they were born. Look at photographs of the day they were born, if you have them available. Do they know the date of their birthday? Support your child to create an all about me folding book (as pictured) with their birth date, current age and anything else they think is important for people to know about them.

V.E day The Imperial War Museum have a display of photos from the first VE day, talk about how our V.E celebrations were different make a poster or scrapbook of photos from your day if you celebrated. [10 Photos Of VE Day Celebrations](#)
