## Note from Mr Homer

Thank you to everybody for your positive feedback regarding your children's reports which were sent out last week. It's great to hear that many of you spent the weekend celebrating your children's successes. There was an huge spring in many children's step on Monday, as a result!

This week, we have spent a lot of time thinking about September and the children had a fab afternoon on Thursday in their new classroom, with their new class team. I hope, from my letters, that everybody now has an understanding of the rationale behind the decisions made for next year. The new class structures will enable us to better develop a broad and ambitious curriculum for all, ensuring that no child is 'held back' and that everyone is challenged to reach their full potential.

We hope that you are all planning to join us this Sunday for our Family Fun Day! It is sure to be a fantastic event due to the hard work and dedication of our wonderful Fun Day Committee. We would like to invite all St Mary's children to come and join us at 3:30pm to sing a few songs in the central display area. The songs we will be singing are as follows (words will be available):

- All my love
- Turn on the tap
- Gospel medley
- Peace like a river

On Monday, we will be holding our annual Sports Afternoon, which we hope many of you will be able to join us for. This year, the event has been designed to ensure that participation is maximised by combining the best of Potted Sports with traditional, competitive races. We ask that all children wear their PE kits on Monday, please. The forecast isn't looking great, but we have everything crossed for sun!

Have a fab Saturday and we will hopefully see you Sunday!  
Mr Homer
